

Mezza Monza

See Better, Roll Better, Putt Better

FEATURES	ADVANTAGES	BENEFITS
15% smaller face-length than original Monza	More compact clubhead	Appeals to players that prefer a medium-sized mallet
CGB Pipes	Precision-filled with tungsten to shift CG deep back in the head	Improves launch conditions for a smoother roll
White sight-line	Works in conjunction with CGB Pipes to provide a vivid alignment tool	Makes the putter easier to aim, improving accuracy
Titallium face-insert technology	Increased MOI; crisp-yet-soft feel	Increased forgiveness on mis-hits; promotes superior touch and control
