

**Rossa TP Putter**  
 Putter Designed With, and For,  
 the Finest Players in the World

FEATURES	ADVANTAGES	BENEFITS
100% precision-milled	Every part of the putter-head finished to exacting standards	Precision detailing; consistency on all putts
CAD-located CG in Rossa TP blades	Direct-center sweetspot position is a superior location for skilled putters	Maximizes accuracy and distance control
Rossa's dual Titanium insert technology	Saves weight that can be allocated to the perimeter; soft yet-crisp feel	Increased forgiveness on mis-hits; promotes superior touch and control
Black zinc finish	Reduced glare	Easier to aim

**ROSSA TP MODELS**
