

FEATURE	ADVANTAGE	BENEFIT
Dual TLC ports in which TLC cartridges can be installed and removed	Change the CG location to promote varying degrees of draws and fades	Promotes greater accuracy and distance
Widely spaced TLC ports	Dramatically boosts MOI	Longer, straighter results on mis-hits
Tour-proven V-shaped sole	Reduces turf resistance	Helps maintain clubhead speed through impact
Pull-Face construction and thin, flexible clubface		High initial ball velocity promotes above-average distance
Titanium clubhead construction	Strong yet extremely light	Saves the weight necessary to incorporate TLC technology
