

“The Aeroburner HL iron, combining the speed you would expect from the Aeroburner line with easy, high launch and forgiveness.”

BRET WAHL
VICE PRESIDENT
R&D - IRONS

EASY LAUNCH. HIGH TRAJECTORY.

- Thin, fast faces plus low CG for increased distance and high trajectory
- High MOI head design and larger head shape for confidence and forgiveness
- Optimized lofts for consistent shotmaking and gapping

SHAFT

AEROBURNER LIGHTWEIGHT (STEEL) - S, R
AEROBURNER REAX 60 (GRAPHITE) - S, R, M
AEROBURNER REAX 50 (GRAPHITE) - L
