

“The name Burner has always stood for speed more specifically ball speed. Now we have introduced breakthroughs in aerodynamics to the Burner name that will also help increase club head speed.”

BRIAN BAZZEL
SENIOR DIRECTOR
METALWOOD PRODUCT CREATION

MADE FOR SPEED

- ▶ New aerodynamic shape with a shallow face, raised center crown and new hosel fin
- ▶ New Speed Pocket increases the size of the sweet spot and reduces spin
- ▶ New matte white finish, black PVD face, and linear AeroBurner crown graphic make alignment easy
- ▶ Built with the new Matrix Speed RUL-Z 70 shaft and TM Speed grip
- ▶ TP model designed with a longer hosel, flatter lie, and more open face angle
- ▶ TP model built with new Matrix Ozik White Tie HX4 and new Lamkin UTx grip
- ▶ Several aftermarket shafts and grips available to customize your AeroBurner

AERO HOSEL
Reduces drag
caused by hosel
