

**BURNER® SUPERFAST 2.0  
WOMEN'S DRIVER**

SPECS ON PG. 08

- > Lightest TaylorMade driver ever
- > Long shaft, lighter weight and new low-drag aerodynamics promote faster swing speed for more distance
- > Large and forgiving face
- > White non-glare crown and black clubface makes alignment easy

**BURNER® SUPERFAST 2.0  
WOMEN'S FAIRWAY**

SPECS ON PG. 09

- > Lighter weight, longer shaft, and new low-drag aerodynamics promote faster swing speed for more distance
- > Bigger, deeper clubface works with low CG to promote higher launch/lower spin for increased carry
- > White non-glare crown and black clubface makes alignment easy

**BURNER® SUPERFAST 2.0  
WOMEN'S RESCUE**

SPECS ON PG. 10

- > Lighter weight, longer shaft, and new low-drag aerodynamics promote faster swing speed for more distance
- > New head shape, large address footprint and low CG promote exceptional ease of launch and long carry
- > White non-glare crown and black clubface makes alignment easy

**"I have never had more confidence in my equipment. The Burner 2.0 irons and Burner SuperFast 2.0 driver are lighter, faster and longer than ever. More distance, anyone?"**

**NATALIE GULBIS**  
LPGA TOUR PROFESSIONAL

**BURNER® SUPERLAUNCH  
WOMEN'S RESCUE**

SPECS ON PG. 17

- > Triangular high-MOI clubhead is exceptionally forgiving and easy to hit
- > Ultra-Thin Wall Technology creates a low, precision-placed CG for high, distance-enhancing launch angle
- > Improved SuperFast Technology package

**BURNER® 2.0  
WOMEN'S IRONS**

SPECS ON PG. 16

- > Each iron individually engineered to promote distance and uniform distance gaps
- > Consistent CG locations for optimized ball flight in long-, mid- and short-irons
- > Thin-faced, high COR long-irons promote faster ball speed for longer distance

**BURNER® SUPERLAUNCH  
WOMEN'S IRONS**

SPECS ON PG. 17

- > Low-profile, easy-to-launch long-iron design
- > Ultra-large and deep cavity for massive perimeter-weighting and extreme forgiveness
- > Extra-wide, multi-functional sole for ultra-low CG
- > Promotes easy distance throughout the set, making it ideal for seniors and women
