MOVABLE WEIGHT TECHNOLOGY

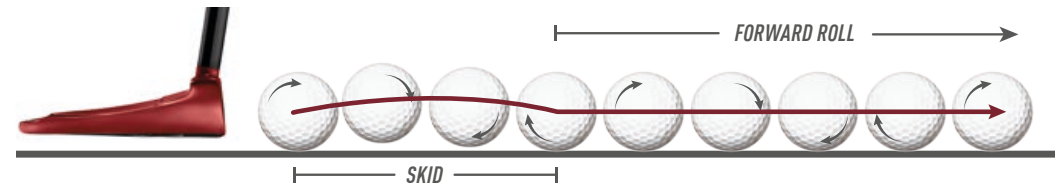

THE BEAUTY OF MILLED. THE PERFORMANCE OF PURE ROLL™.

► **Clean, Precise, Sophisticated—Designed to Perform**

- Milled 303 stainless steel heads with Tour Red finish for a premium look and feel with high contrast coloring for improved alignment
- Adjustable sole weights for optimal head weight
- Combination of mid mallet designs with wide array of sightlines, toe hangs and hosels to fit any stroke
- Pure Roll™ insert for optimal forward roll—firm feel with aluminum insert
- Steel shaft with a chrome finish
- Classic milling to create consistent radius and shape

PURE ROLL™
