

INSPIRING NEW LOOK WITH MORE PERSONALIZATION

Proper alignment is crucial for every shot. Knowing that hybrids play an important role in approach shots and tough lies, we added our two-tone crown to the M3 Rescue and paired it with the most adjustability in this category.

CONFIDENCE-INSPIRING SHAPE

- Two-tone crown cosmetic allows for proper alignment on the most crucial shots into the greens

SPEED POCKET

- The Speed Pocket increases ball speed and lowers spin for added distance
- Increases the size of the sweet spot for more forgiveness

PERSONALIZATION

- 3° Loft Sleeve for adjustable loft and lie settings
- The track system now allows for 3 grams more weight than previous models, making a total of 30g of movable weight
